Apply online at www.jcrac.co.uk

Further information contact nicky.robinson@nhs.net or 01642 282534

Approved by RCA for 10 CPD Points, RA-UK approved for EDRA diploma

The 15th James Cook Regional Anaesthesia Course will go beyond nerves now to include PoCUS stations:

- Demonstration of relevant anatomy to regional anaesthetists on cadavers by Anatomy Lecturers at York University
- Small group work teaching (4-5 delegates per instructor)
- Side by side cadaveric learning and scanning on volunteers
- Nerves, FAST, FATE, gastric, lungs and pleura scanning
- Hands-on learning of needle techniques and catheters on phantoms
- Opportunity to discuss tips and tricks with international experts in ultrasound regional anaesthesia

"This was the best workshop that I attended in years, I learned so much"

"This was probably the best course I have been to in ten years. The cadaveric anatomy was informative, well managed and refreshing"

"A superb course and very well organised. The speakers were all excellent"
